SPIDER-GWEN: THE GHOST-SPIDER VOL. 3 - UNCHARTED TPB

WRITTEN BY STEPHANIE PHILLIPS

PENCILED BY PAOLO VILLANELLI & VON RANDAL

COVER BY MARK BROOKS

Prepare for intergalactic action as Ghost-Spider goes beyond!

Gwen Stacy has something King Loki wants, and she'll do everything in her power to keep it from him. The god of lies and deception knows his strength lies in words over brute force, so he intends to convince Gwen to give up the artifact willingly. But as the secret behind Gwen's strange new power and why she left her home dimension behind is revealed, what does all that have to do with Loki taking her on a journey across the stars? And what are Loki's true intentions for her? As Ghost-Spider's adventures in space lead her to try to bring the power of the Cosmic Cube to heel, its immense psychic power is seemingly too much for her mind to handle alone. Bill Everett returns to the character that he made a comic book icon!

We are proud to present Bill Everett's seminal '70s return to Namor, the Sub-Mariner, the character he made a legend! Everett's luxuriant artwork and signature anarchic take on Namor make every page an action-packed classic. Villains from Subby's past like Prince Byrrah set the stage – while the debut of Namorita and a new flame-vs.-water nemesis, Sunfire, ratchet up the drama. The return of another Everett icon, Venus, pits the Sub-Mariner against the god Ares while the capture of Subby's alien ally, Tamara, leads to an all-out Atlantean invasion of New York City! Then a nerve gas explosion leaves Namor unable to defend his realm. Reed Richards crafts a new costume to help him fight again, and nothing will be able to contain the rage of the now-savage Sub-Mariner!
