THE PRESIDENT'S YEARS LONG DIPLOMATIC DANCE WITH CHINA

LEAKED FILES REVEAL FINANCIAL NETWORK USING AMERICAN NONPROFITS TO PUSH CHINESE PROPAGANDA

WHY A U.S. GENERAL WARNS WAR WITH CHINA POSSIBLE IN LESS THAN FIVE YEARS

from: August.Patel@pythia_consultant.com
date: Wed, Aug 23, 7:50 AM (1 day ago)
subject: Re: Security risks

Mr. Goodman has to understand the differences between Chinese and American spycraft. Firstly, Chinese espionage is corporate espionage - spying not on American governments but corporations - because of (1) China's expanding role as a financial superpower, and (2) that being where a country's true political will lies.

There's actually little overlap between Chinese and Western espionage. For one, the Chinese don't pay for intelligence. They believe people would never knowingly commit espionage, but would instead be indiscreet under the right circumstances.

China is not looking to recruit spies as much as "good people" willing to gossip and help China modernize. And with the unfettered travel back and forth into China, these gossips are recruited by China's top spy agency, the Ministry of State Security (MSS) while visiting the country.

Paul Moore, the former senior China analyst for the FBI, uses

US ALLEGES ELITE HACKING TEAMS BACKED BY CHINA'S GOVERNMENT

CHINA CLAIMS OWNERSHIP OF SECOND SPY BALLOON

HOW THE US PLANS TO CURB FLOW OF AMERICANS' SENSITIVE DATA TO CHINA

...the analogy of "a thousand grains of sand" to describe Chinese espionage.

For example, if Russians wanted to steal sand from a beach, they'd send a few elite frogmen at night.

China, however, would send a thousand tourists mid-day.

That thousand would return, shaking out their towels until they produced more sand than the Russian frogmen.

SO WHAT'S ED ABOUT?

OH, SOME GLITCH IN THE SURVEILLANCE ON THE B-3 STEALTH BOMBER...

Chinese spies aren't 007s - they're regular people getting someone to share **three** facts when they should only share **two**.

They then **report** those morsels back to China with each visit.

But... what happens when that process goes **wrong**?

KNIGHTS VS. SAMURAI #1

SERIES PREMIERE

Sir Charles Ward, “The Dragon Butcher,” has achieved knighthood, acclaim, and is leading a legion of royal warriors on a noble mission, yet his self-doubt and grief haunt him. Venturing to a mysterious island in the Far East, Charles leads his diverse assembly of fighters (including a giant and two clerics) to seek vengeance against savage monsters who ambushed a group of English missionaries. Arrival on the island reveals that the truth may be drastically different from what Charles was led to believe, and the “savage monsters” he will face are actually a regiment of skillful warriors the likes of which he has never seen.

Note from writer **DAVID DASTMALCHIAN**: Seeing the way **FEDERICO MELE** has brought these characters from both England and Japan to stunning life as they face off with all manner of Western and Eastern mythological creatures has been an incredible experience. Under the guidance of the great **TODD McFARLANE**, this journey of magic, warfare, and a search for the truth has been a dream come true. Thanks to my consultant, **THERSA MATSUURA** (of *Uncanny Japan*), we will be showing a clash and connection between feudal England and feudal Japan that has never been seen before.

AT ALL.

THE RUSSIAN

IT WAS ONLY A FEW YEARS

IMAGINE IT! A LIVING

THEY FOUND

THE TIN CAN SOCIETY #1 (OF 9)

MINISERIES PREMIERE

The first stunning issue of a brand-new miniseries from Giant Generator showcasing the first graphic novel work by screenwriter and incredible talent **PETER WARREN** (*The Incal* feature film, *Kill Me*) with jaw-dropping art by **FRANCESCO MOBILI** (*X-Men*, *SCUMBAG*) and beautifully colored by **CHRIS CHUCKRY** (*New X-Men*, *Gen 13*).

Johnny Moore is a world-famous tech mogul known as much for his work pioneering mobility aids for people with disabilities (like himself) as he is for moonlighting as the metal-suited vigilante, CALIBURN. But when Johnny is found murdered and his suit stolen, his estranged childhood best friends reunite to solve the mystery of his murder.

THE TIN CAN SOCIETY is a heartfelt and human look at the evolution of friendships across a lifetime, at disability and ableism, and the destructive power of fame.

STORY
DEREK KIRK KIM

"Epic. Heart-breaking. Utterly gorgeous. You'll love every panel of this sprawling saga."—Gene Luen Yang (*American Born Chinese*)

THE LAST MERMAID is a post-apocalyptic adventure that is perfect for fans of lush, animation-style artwork like that of ISOLA, LOW, and classic Miyazaki.

A lone mermaid roams an endless wasteland on a quest beyond reason. To press ever onward, she must survive the interminable stretches between tiny pockets of water, roaming bands of cybernetic cannibals, and fearsome mutant beasts. What propels her forward to take such a risk? And who is that cloaked figure watching her from afar...?

Eisner, Harvey and Ignatz Award-winning writer/artist **DEREK KIRK KIM**'s first graphic novel in a decade kicks off an epic journey—a literal fish-out-of-water story that will turn the post-apocalyptic genre on its ear.

MIRKA ANDOLFO

The 2022 Harvey Award winner for Best International Book is back in a prestige omnibus edition that's spicier than ever!

Paprika is a successful businesswoman whose career consumes her life, forcing her to neglect her personal needs, as well as her friends and family. Her heart is broken from a previous relationship and its consequences, and a rigid upbringing has made her a very introverted person. She wants a romantic relationship, but she doesn't know what she's doing. Not like Dill, a suave, handsome delivery boy with an angelic attitude and a gaggle of adoring fans. He doesn't have a worry in the world, and that makes Paprika very nervous. But maybe he's the guy who can help her with her feelings—and with sex.

This “hot” director's-cut edition, now available to American readers for the first time, features “spicier” panels, newly redrawn by **MIRKA ANDOLFO** herself, and is printed as the series was originally conceived—not in color, but in black, white, and fluorescent pink!

Bridget Jones's Diary meets *Sex and the City* with a pinch of *The Devil Wears Prada* in an international hit by acclaimed creator **MIRKA ANDOLFO** (UNNATURAL, MERCY).
